# ISIS AFS Input Interfaces (ISF024)

**Agency No:** 3 digit AFS agency number

**Department/Agency Name:**

**Agency Contact Name:** Agency person to contact regarding information about this interface.

**Address:**

**City/State/Zip:**

**Phone:**

**FAX#:**

**Agency Interface System:** Name of the agency's system producing the AFS transactions.

**For Agency Numbers:** The specific 3 digit AFS agency no.(s) for which AFS transactions are sent.

**FACS Transactions:** The FACS transactions produced by this agency system. (This entry **ONLY** appears on the form for existing agency systems not converted to AFS transactions by July 1996).

**AFS Transactions:** The AFS transactions being produced by the agency system to be sent to AFS.

**Transmission Method:** (See Attached sheet)

**Userids Assigned Permission:** The ISIS "Z" Userids that are authorized by the agency to store the AFS transactions, produced by the agency's system, on the DOA mainframe for AFS to process.

**Agency Approval:** Agency official granting approval for this agency system and the **listed Userids** to systematically interface to AFS.

**OSRAP Approval:** OSRAP official granting approval for this agency system to systematically interface to AFS for the **listed transactions**.

**SIS Approval:** SIS official granting approval for the necessary work to set up and process the designated agency system interface.

**DATA SET NAME ASSIGNED:** The name of the file assigned on the DOA mainframe for this agency system interface. This file is where the agency's AFS transactions are stored in order for AFS to retrieve and process them. This data set name is assigned by SIS.
